I. Functions of the Michigan Special Education Advisory Committee

A. Functions Based on Statutes and Regulations

(20 USC 1412(a)(21)) of the *Individuals with Disabilities Education Act* unless otherwise noted.

The Special Education Advisory Committee (SEAC hereafter) shall:

1. Advise the State Educational Agency of unmet needs within the state in the education of children with disabilities;
2. Comment publicly on any rules or regulations proposed by the state regarding the education of children with disabilities;
3. Advise the State Educational Agency in developing evaluations and reporting on data to the secretary (20 USC 1418);
4. Advise the State Educational Agency in developing corrective action plans to address findings identified in federal monitoring reports under this part; and
5. Advise the State Education Agency in developing and implementing policies relating to the coordination of services for children with disabilities.
6. Receive findings and decisions of all hearings related to special education (34 CFR § 300.513(d)(1)).
7. By July 1 of each year, submit an annual report of its activities and suggestions to the State Educational Agency (20 USC 1412(a)(21)(D)).

B. Permissive Functions

1. The SEAC may submit specific advice to the State Board of Education or upon the Board's request.
2. The SEAC may concern itself with such matters as:
 - a. Administrative organization; local, intermediate school district, state;
 - b. Methods and sources of funding; and
 - c. Legislation needed.

C. Understandings

1. In order for the SEAC to fulfill its responsibilities as set forth herein, the Michigan Department of Education shall provide support and resources to assist it to do so.
2. The SEAC is one source of direct advice to the State Board of Education with respect to the education of students with disabilities in Michigan.
3. The term "special education" includes all matters pertaining to educational programs and services designed to serve students with disabilities from birth through the age of 25 years.
4. The phrase "publicly comment" means an official communication to the State Board of Education from the SEAC via letter, resolution, official meeting summaries, or direct oral presentation to the Board.
5. A recording secretary shall be assigned to the SEAC by the Director of the Office of Special Education.
6. At the June meeting each year, the SEAC shall solicit annual priorities for the following year (See SEAC Procedures: Setting Annual Priorities).

II. Officers and Members

A. Membership

1. Member Responsibilities

- a. The SEAC is a strategic organization advising the State Board of Education and the Michigan Department of Education with regard to special education issues. To be effective on the SEAC, members are expected to:
 - i. Respond by the deadline with regard to their attendance at upcoming SEAC meetings.
 - ii. Prepare for each meeting in advance.
 - iii. Regularly attend Committee of the Whole meetings (See SEAC Procedures: Regularly attend Committee of the Whole meetings).
 - iv. Participate in and regularly attend subcommittee meetings.
 - v. Be sensitive to other members of the SEAC and the diversity of the issues and other perspectives around the table.
 - vi. For members representing organizations, represent organization viewpoint versus personal perspective.
 - vii. Keep alternate (if assigned) updated on SEAC activities/issues.
 - viii. In case of absence,
 - (1) Notify alternate (if assigned) to attend the meeting so that there is a voting member present.
 - (2) For extended absences, contact SEAC recording secretary.

- (3) For last minute changes in attendance, contact the recording secretary as soon as possible.

2. Term

- a. Appointment to the Michigan Special Education Advisory Committee shall be for a term of three years.
 - i. Act 287 of 1964 §388.1009a Special education advisory committee; creation; appointment and terms of members; ex officio members; chairperson; expenses; duty.
 - (1) The special education advisory committee is created in the department of education and shall consist of not less than 9 and not more than 33 members appointed by the state board of education for terms of 3 years. The person within the department directly responsible for special education programs and other persons as appointed by the committee to represent other departments, agencies, and 4-year colleges and universities, upon consultation with those departments, agencies, and colleges and universities, shall be ex officio members of the committee. Each year the committee shall elect a chairperson and other officers as it considers necessary. Members of the committee may be reimbursed, to the extent provided by the state board, for expenses incurred in performing their functions. The committee shall act as an adviser to the state board of education in the field of special education.

- b. To assure diversity of ideas and experiences, no individual may be appointed to the SEAC for more than one consecutive term. Non-consecutive terms of appointment are permitted.
- c. Should the member be unable to fulfill his/her three year appointment,
 - i. The SEAC Executive Committee will notify the State Board of Education and the Michigan Department of Education and request that the State Board of Education seek nominations to replace that appointment.
 - ii. Replacement delegates to the SEAC will complete the original delegate's three-year term. Upon completion of that term, the replacement member-at-large may apply for one complete three-year term.

3. Composition of the SEAC

- a. The SEAC consists of members-at-large and members representing organizations (See SEAC Procedures: Composition).
- b. Defined Members: IDEA requires that a majority (51%) of the members be individuals with disabilities or parents of children with disabilities under the age of 26 years who currently receive special education services under the *Individuals with Disabilities Education Act* (See SEAC Functions and Roles: Organizational Rotation of Defined Membership to ensure majority representation).
 - i. Members who meet this requirement are referred to as 'defined' members.
 - ii. Organizations nominating individuals for appointment to the SEAC will be asked to submit nominees who are

'defined' or individuals with disabilities or parents of children with disabilities currently receiving special education services on a rotating basis per the SEAC Procedures Manual. This will assure that the SEAC meets the IDEA 51% consumer requirement.

- iii. During a three-year term with a delegate is required to be "defined," if the delegate needs to step down prior to the end of the term, then the replacement delegate must be "defined" at the time s/he is nominated as the new delegate. The exception is if there are five (5) or fewer months remaining in the three-year term. In that case, a non-defined alternate may serve as delegate for up to one-half school year. An organization has 60 calendar days to nominate a replacement delegate following the resignation.
- iv. At least six (6) of the eight (8) nominees for members-at-large shall be individuals with disabilities or parents of children with disabilities currently receiving special education programs and services.

4. Alternate Members

- a. The State Board approved alternate member shall fully participate in the proceedings of the Committee when the organization's delegate member is absent, including the right to vote.

5. Dual Representation

- a. A member can only serve in one capacity on the SEAC, such as an at-large, organization, or ex-officio member.

6. Annual Review of Organizational Representation

- a. The SEAC may annually review its organizational composition, including, but not limited to requests it receives, and make recommendations to the State Board of Education regarding the same. The SEAC may only have 33 members.

B. Appointment of Members

1. State Board of Education Responsibility

- a. The State Board shall appoint members to the SEAC.

2. Nominations

- a. Each organization set forth in section II-A-5 above shall submit to the State Board of Education the nomination for a member and an alternate to represent the respective organization for the three year term. Communications to organizations concerning appointment of individuals to serve on the SEAC should include the State Board's intent for diversity that is representative of the population of Michigan. The proposed appointee may need to meet the defined member criteria (a person with a disability or parent of a child with disability under age 26 who is currently receiving special education services). (See SEAC Procedures: Membership Nominations).

3. Ex-Officio Members

- a. The Director of the Office of Special Education shall be an ex-officio member of the Michigan SEAC.

- b. The immediate past chair of SEAC may serve as an ex-officio member for one year for the purpose of providing leadership continuity and counsel.
- c. In accordance with IDEA, the SEAC may appoint additional ex-officio members representing various agencies, including, but not limited to Educator Preparation Institutions; Department of Health and Human Services–Juvenile Justice, Community Health, and Michigan Rehabilitation Services; Michigan Department of Education – McKinney-Vento Act, Office of Special Education; Department of Corrections; and any other state agencies as appropriate to the requirements of the IDEA.
- d. Ex-officio members may participate in the deliberations but shall have no vote. Their primary responsibilities shall be to:
 - i. Inform the SEAC of issues arising in their agencies which impact special education;
 - ii. Provide information from their agency’s perspective on issues before the SEAC and its committees; and
 - iii. Advise their agencies of the activities of the SEAC.

4. Members-At-Large

- a. Members-At-Large are individuals who are nominated and appointed to the SEAC by the State Board of Education, not representing a specific organization.

5. Vacancy

- a. Resignation
 - i. In the event that an organizational delegate resigns from the SEAC or the position is otherwise vacated, the organization (or organizational groups) represented by the member shall submit a new nominee to the State Board of Education. If the delegate was filling a defined

member seat, the organization shall recommend another defined member. If SEAC's membership still meets the federally required 51%, a non-defined member can be recommended to fulfill the vacancy for the remainder of the original delegate's term. Upon completion of that term, the replacement delegate may apply for one complete three year term. In the event an at-large member resigns or the position is otherwise vacated, the SEAC shall notify the State Board of Education and request that the vacancy be filled for the remainder of the original at-large member's term. Upon completion of that term, the replacement member-at-large may apply for one complete three year term.

- ii. The State Board of Education will make annual appointments each spring. When resignations/replacements occur prior to the next spring appointment meeting, the State Board of Education will be asked to appoint replacement delegates on no more than two occasions. In the interim, until the official appointment is approved, the proposed new delegate may participate in all SEAC work except for voting.
- b. Cessation of an identified organization
- i. If an organization represented on the SEAC ceases to exist or chooses to discontinue its affiliation with the SEAC, the Executive Committee follows established procedures to fill the vacancy (See SEAC Procedures: Filling Organizational Vacancies). Following the identification of an organization, the Bylaws process to appoint members will be followed (II.B).
